EVERYBODY IS

Everybody is a star

thru the rain and chase the dust away

Everybody wants to shine

But who'll come around on a cloudy day

Till the sun that loves you brown

When the system tries to bring you down

Every hand to shine the night

You don't need darkness to do what you think is right.

A STAR

Everybody is a star

I can feel it when you shine on me

I love you for who you are

Not the one you feel you need to be

Ever catch a falling star

Ain't no stopping till it's in the ground

Everybody is a star

One big circle goin' round and round
